

# Purestone

Una vera e propria materia d'arredo, ricavata elaborando l'estetica di diverse pietre esistenti in natura. "Purestone" Piemme è un moderno grès porcellanato dai toni delicati e dalle venature discrete, mai eccessive.

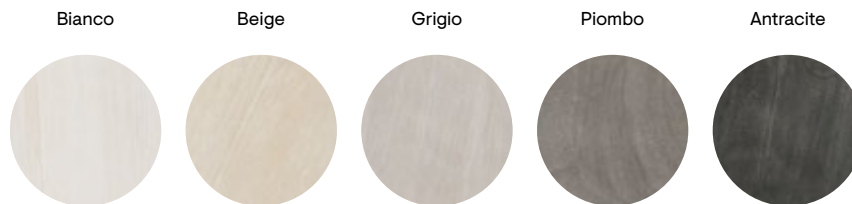

A real furnishing material, obtained by processing the aesthetics of various kinds of natural stones, Piemme "Purestone" is a modern porcelain stoneware with delicate colour shades and discreet and never excessive veins.

Ein echtes Einrichtungsmaterial, gewonnen aus einem Mix der Optik verschiedener Natursteine. Piemme "Purestone" ist ein modernes Feinsteinzeug in zarten Tönen und mit dezenten, unaufdringlichen Aderungen.

Cette véritable révolution en matière d'architecture intérieure est le fruit d'une étude précise sur les différentes pierres existant dans la nature. "Purestone" by Piemme est un grès cérame moderne, aux teintes délicates, aux veines discrètes parfaitement dosées.
