

# Claymood

Nasce dalla fusione dell'estetica di due materie come l'argilla e la malta cementizia, originando un mood completamente nuovo. Le quattro delicate tonalità di fondo danno spazio a piacevoli stonalizzazioni che muovono il design dell'ambiente con carattere sobrio e contemporaneo.

The result of the aesthetic blending of two materials – clay and cement mortar - thereby producing a completely new mood. The four delicate background tones leave room for pleasant colour shadings which move the design of the environment with sober and contemporary character.

Claymood verbindet die Optik zweier Materialien - Ton und Zementmörtel - und lässt eine vollkommen neue Atmosphäre entstehen. Vier zarte Grundfarben sind in attraktiven Farbvarianten dekliniert, die das Raumdesign schlicht und zeitgemäß in Bewegung bringen.

Claymood est issu de la fusion entre l'esthétique de deux matériaux comme l'argile et le ciment pour donner naissance à un mood original. Les 4 délicates tonalités de fond créent d'agréables effets qui animent l'ambiance d'une touche sobre et moderne.
