

Shades

Designed by Gordon Guillaumier

Quando l'esattezza della tecnologia incontra l'imprecisione spontanea del decoro fatto a mano: la serialità e la molteplicità della produzione replicano incessantemente ogni istante in cui il segno è rimasto sospeso e delicato, quasi tremante e fanciullesco.

When the accuracy of technology meets the spontaneous imperfections of handmade decorations, that surprising décor effects come to light the multiplicity of the production incessantly replicate every instant in which the stroke is applied, suspended and delicate, almost trembling and childlike.

Die Präzision der Technologie trifft auf die spontane Unbestimmtheit des handgemalten Dekors: Serialität und Vielzahl der Produktion replizieren unaufhörlich jenen Augenblick, in dem das Zeichen in der Schwebeliegt. Unschärf, beinahe bebend und kindlich.

Lorsque la précision de la technologie rencontre l'imprécision spontanée de la décoration faite à la main: le caractère en série de la production et sa multiplicité reproduisent sans cesse chaque instant où le signe reste en suspens, délicat, presque tremblant et enfantin.
